A TROPICAL STORM

The Coast of the Middle Atlantic States Swept by Wind Wednesday Morning.

THE SEVEREST IN A LONG TIME.

Six Lives Known to Have Been Lost and Five Seamen Believed to Have Been Drowned.

Vessels Wrecked and Buildings and Other Property Suffered Severely From the Wind Which Blew With Hurricane Force.

Philadelphia, Sept. 17.—The tropical storm which struck the coast of the middle Atlantic states early Wednesday morning proved to be one of the severest experienced in a long time. It left death and destruction in its trail. Its greatest force was felt at the Delaware capes and at the lower part of the New Jersey coast. Six lives are known to have been lost and five seamen are missing and are believed to have been drowned. A three-masted and a two-masted schooner sank at the Delaware breakwater and about a half dozen coal barges also foundered in the vicinity of the Delaware capes. All the way up the coast, and especially at Atlantic City, hotels and other buildings suffered severely from the wind which blew with hurricane force.

Cape May, N. J., Sept. 17.—The heaviest wind and rain storm in years passed over Cape May and the lower end of the coast of New Jersey Wednesday morning doing much damage. The tide was low while the storm was at its height, and the heavy sea did not do much damage, beyond the carrying away of about 300 feet of the pier of the Queen Anne railroad. The high wind uprooted trees, damaged the roof of the Columbia hotel and also lifted from its place the roof of the Security Trust building.

The storm left its trail at Sea Isle City, where the wind blew 70 miles an hour. Several cottages were wrecked and the dome on the Continental hotel was blown down.

New York, Sept. 17.—Greater New York and its environs for several miles in all directions were visited Wednesday by a fierce wind and rain storm. The day began with a heavy rain, which increased as the wind, blowing east, grew stronger, and for two hours about midday the combined fury of the elements wrought damage on land and water amounting to many thousands of dollars.

Several persons were blown off fire escapes and wagons, or forced against walls by the onslaught of the storm, and not a few of them are in hospitals nursing bruises and cuts. Two persons were killed in remote suburbs by broken trolley wires.

The gale was especially severe at sea, causing havoc to the shipping down the bay, where many vessels were sunk or wrecked. The worst of the damage was reported from Staten Island. The entire fleet of the Staten Island Yacht club, at anchor, was either sunk or wrecked.

An express wagon was blown over while turning the flat iron corner and the driver, and James Billings, who was crossing the avenue, were both hurt. A score of others were injured in this neighborhood.

The pilot boat Hermit was driven ashore and there was a collision between a schooner and a barkentine. A tug boat was wrecked in Hell Gate. The hurricane burst with cyclonic force on the center of the city, loosening the 250 foot spire of St. Bartholomew's Protestant Episcopal church, in Madison avenue.

The steeple of the South Congregational church in Brooklyn was also loosened. Trees were torn up and streets were littered with signs and umbrellas. Telegraph and telephone wires above ground were broken. Scores of plate glass windows along Broadway were broken.

STORM IN NEW ENGLAND.

It Was Particularly Severe in Southwestern Connecticut.

Boston, Sept. 17.—The center of the vigorous atmospheric disturbances, which caused such havoc in New York and down the Jersey coast Wednesday, passed across Western New England in a northeasterly direction Wednesday night. The storm, while causing considerable damage in the interior, had little effect on the shipping along the coast. At a late hour Wednesday night no wrecks had been reported along the coast.

The storm was particularly severe in Southwestern Connecticut and up the Connecticut river. Telegraph and telephonic communication with New York was cut off. A man was blown overboard in New Haven harbor and

drowned, and another was killed in Hartford by a swinging electric light wire.

LIPTON'S CONDITION.

He Is Not Thought to Be in Any Immediate Danger.

Chicago, Sept. 17.—Physicians in attendance on Sir Thomas Lipton declared Wednesday night, just before leaving their patient, that his condition was satisfactory and he was not thought to be in any immediate danger. The following bulletin was issued just before the doctors left the hotel:

"The patient continues in the same satisfactory condition. (Signed) Homer M. Thomas, M. D., Geo. W. Webster, M. D., Nicholas Senn, M. D."

A consultation was held by the doctors just prior to the issuing of the bulletin and they gave the friends of Sir Thomas Lipton to understand that the necessity of an operation, while not obviated, was not immediate.

When the physicians were leaving, Dr. Senn remarked to Dr. Thomas: "We shall be lucky to pull him through this without an operation."

Dr. Thomas made no reply, but his manner indicated that he did not dispute the opinion expressed by Dr. Senn.

The distinguished patient is suffering from appendicitis.

THE JURY SELECTED.

Very Little Interest Is Manifested in the Curtis Jett Trial.

Cynthiana, Ky., Sept. 17.—Wednesday was entirely taken up in selecting a jury, which was accomplished at 5 o'clock Wednesday afternoon, when the full number was found. They are composed of good men, in fact, as good a jury, it is believed, as was the jury which tried Jett before.

In politics ten are democrats and two are republicans. Ten are farmers and two live in Cynthiana, one of this last number, a grain dealer and one a tobacco handler. After selecting the jury, the indictment was read and the defendant, plead not guilty, and the jury were sworn and placed in charge of Sheriff Leach and his Chief Deputy Rees. County Attorney Blanton, of Breathitt county, Sheriff McCord, of Clarke county, came in Wednesday afternoon on the 4 p. m. train, also one of the chief witnesses for the commonwealth, Riley Coldiron, came in. Very little interest is manifested in the case, as the court room is at no time more than one-third full.

IN THE FEUDAL DISTRICT.

Much Interest Taken in the Salvation Army Services.

Jackson, Ky., Sept. 17.—The marching and exercises of the Salvation army that is touring the feudal district brought a very large crowd from the mountains to this city Wednesday. The parade and services here Tuesday night attracted large crowds, but it was not until Wednesday that the rural districts turned out on horseback, in ox carts and all sorts of vehicles, many also walking great distances. The meetings here are so successful that Col. Holz has decided to omit Hindman and Hazard from the itinerary and remain here over Thursday. The horseback ride of 35 miles over the mountains with a local guide to Salsersville will be made Friday, and continued thence for three weeks organizing local detachments of the Salvation army at different points. The religious services as well as the instrumental and vocal music commands close and respectful attention everywhere.

TERRIBLE TRAGEDY.

Two Women and a Girl Murdered Near Lebanon, Kan.—One Arrest.

Lebanon, Kan., Sept. 17.—Mrs. Williamson was murdered Tuesday night, and her 12-year-old daughter and her aged mother, Mrs. H. H. Payne, were brutally beaten. The women had been accustomed to sleep in one bed. Mrs. Williamson's dead body was found outside the house Wednesday morning and her mother and daughter in bed unconscious. All had been wounded with a cultivator bar. Mrs. Williamson was suing for divorce. A young man of Lebanon, who wished to marry her and whom she had refused repeatedly, is suspected of the murder. He has disappeared. Mrs. Payne and her daughter died Wednesday morning.

FROSTS IN IOWA.

Des Moines, Ia., Sept. 17.—Wednesday night the temperature fell and frost is expected in all but the southeastern and part of the eastern counties. Killing frosts are expected only in the northeastern quarter.

Bank Robbed By Six Masked Men.

Guthrie, Okla., Sept. 17.—Six masked men robbed the bank at Douglas, Okla., early Wednesday of \$5,077. The robbers, when they left the bank, went to a livery stable, took the cashier's buggy and rode off.

PRESIDENT'S TRIP.

Visited the Immigration Station on Ellis Island on New York Bay.

THE INSTITUTION WAS INSPECTED

On Board the Sylph He Passed Through a Wind and Rain Storm and Was in Peril.

The President Was Accompanied By Mrs. Roosevelt, Their Son Kermit, Mrs. Richardson, Secretary Loeb and Several Others.

New York, Sept. 17.—President Roosevelt rested quietly in a train Wednesday night after a day of varied experiences. While on the way from Oyster Bay to New York on the naval yacht Sylph, he passed through a terrifying wind and rain storm, during which the vessel was in danger. Subsequently he visited the immigration station on Ellis island, New York bay, and made a thorough inspection of the institution.

Shortly after 10 o'clock Wednesday morning President Roosevelt boarded the Sylph in Oyster Bay. He was accompanied by Mrs. Roosevelt and their son, Kermit, Mrs. Richardson, Secretary Loeb, Prof. Albert Bushnell Hart, of Harvard college; Prof. J. B. Moore, of Columbia university; C. Grant La Farge, of New York, and Jacob A. Riis, of Richmond Hill, Long Island.

Less than an hour after the Sylph had entered Long Island sound she ran into terrific wind and rain storm. The Sylph, a comparatively small vessel, pitched heavily, and off Willett's Point listed sharply to starboard. The president and his guests had been forced to go below and beyond a drenching, none of them suffered inconvenience. The storm became even more severe as the vessel neared Hell Gate. The waves and wind swept the deck, making it almost impossible for the sailors to remain exposed. The baggage of the party, consisting principally of hat boxes and dress suit cases, was swept about the deck and everything movable on deck had to be tied to prevent its being swept overboard.

The Sylph arrived off Ellis island at 2:25 o'clock. The president and his party were landed by the tug Chamberlain.

Despite the furious storm a large party had assembled at the island to greet the president. He was welcomed by Commissioner of Immigration William Williams and conducted to his office in the main building, where the president greeted those whom he had invited to be present.

During the afternoon the president, acting on his desire, went directly among the immigrants, with a view of ascertaining personally how they were treated.

The president's interest was attracted by a comely German woman, Adele Walter, from Leutendorf, who bore in a wicker basket a tiny 7-months-old baby. After chatting a moment with her the president slipped a \$5 bill into the hand of Jacob Riis to be given to the woman for her child. She nearly fainted on learning that the gift was from the president of the United States.

At 7 o'clock Wednesday night the president, accompanied by Secretary Loeb and his personal attendants went aboard the Sylph for dinner. At 10 o'clock they left for Jersey City on the tug Chamberlain, where they boarded the train for Antietam. There Thursday will occur the ceremonies incident to the dedication of the monument erected to the memory of New Jersey soldiers who fell in the civil war.

CENTRAL LEAGUE SEASON ENDS.

South Bend Will Contest Fort Wayne For First Place.

South Bend, Ind., Sept. 17.—The Central league season ended Wednesday. According to figures given out Wednesday night by President Bement, Fort Wayne is now in first place with a percentage of .645 and South Bend second with .636.

This standing, it is stated, will be changed at a meeting of the directors to be held this week, when the protested Grand Rapids-Fort Wayne game probably will be taken from Fort Wayne and given to Grand Rapids, as Directors Doran, of South Bend; Lander, of Dayton; Smith, of Terre Haute; Haulder, of Grand Rapids, and Irwin, of Wheeling, have signified their intention of voting against Fort Wayne. This will make South Bend and Fort Wayne a tie and will make it necessary for a special series which has already been arranged for.

Atlantic City, N. J., Sept. 17.—The new Atlantic & Suburban Trolley Co.'s barn at Pleasantville was partly wrecked by the wind Wednesday.

CONGRESSMAN BOREING DEAD.

Only Republican in the Kentucky Delegation Passes Away.

London, Ky., Sept. 17.—Congressman Vincent Boreing died at his home here Wednesday of pneumonia. He was the only republican in the Kentucky delegation.

Vincent Boreing, of London, Laurel county, was born November 24, 1839, in Washington county, Tenn.; removed with his father, Murray Boreing, to Laurel county in 1847; was educated at Laurel seminary, London, Ky., and Tusculum college, Greenville, Tenn.; volunteered in the union army in Company A, 24th Kentucky volunteer infantry, November 1, 1861, as private soldier; on account of meritorious conduct was commissioned first lieutenant from the ranks by Gov. Bramlett, of Kentucky; was severely wounded in the battle of Resaca, Ga., May 14, 1863. He was elected county superintendent of public schools in 1868 and re-elected in 1870; founded (as editor and publisher) the Mountain Echo at London, Ky., in 1875, the first republican newspaper published in Southeastern Kentucky; was elected county judge in 1886, president of the Cumberland Valley Land Co. in 1887 and president of the First national bank of London, Ky., in 1888. He represented the Kentucky conference as a lay delegate in the general conference of the Methodist Episcopal church; was department commander of the department of Kentucky, G. A. R., in 1889; was elected to the 46th congress and re-elected to the 57th congress. He was afterward re-elected to the 58th congress.

AN UNNECESSARY EXPENSE.

A \$4,000 Family Monument Is a Useless Expenditure, Says the Judge.

Louisville, Ky., Sept. 17.—Judge Shackelford Miller Wednesday decided that a \$4,000 family monument is not a necessary expense of a decedent's estate and that a widow's interest in one-half of the personality is not to be subjected to a pro rata of such an expense.

The opinion was handed down in the case of the Louisville Trust Co., executor of the estate of William Patterson, the contractor, against Maggie Patterson, the widow.

Patterson left a personal estate valued at \$31,000.

To Sell Gen. Clay's Effects.

Richmond, Ky., Sept. 17.—In court Wednesday an order was entered directing the curators of the estate of Gen. C. M. Clay to expose at public auction the household effects, live stock and personal property belonging to Gen. Clay. The State Bank and Trust Co., as curator, will offer the property at public auction at White Hall on Thursday, October 8.

Purchased Mineral Lands.

Middlesboro, Ky., Sept. 17.—The Southern railway has purchased several hundred thousand acres of mineral lands from the American Association, Limited, of Middlesboro. This deal, which embraces all the coal mines in Claiborne county, Tennessee, as well as several counties in Kentucky, has just been consummated.

Dr. W. Godfrey Hunter a Candidate.

Louisville, Ky., Sept. 17.—It was said Wednesday night that Dr. W. Godfrey Hunter will be a candidate to succeed the late Vincent Boreing as congressman from the Eleventh district. It is believed that Dr. Hunter would have opposed Boreing next year had the latter lived to enter the race.

To Be Armed With Krag Rifles.

Louisville, Ky., Sept. 17.—The Kentucky national guard will be equipped with Krag-Jorgensen rifles for the maneuver encampment. The ordinance department has made a total allowance of 3,500 Krag-Jorgensens, but only 1,149 will be used during the maneuvers.

Confederate Veterans' Reunion.

TO END EXCESSES.

Great Britain Will Send a Squadron in Support of Her Diplomatic Endeavors.

WAR IS CONSIDERED INEVITABLE.

The Portes' Attention Drawn to the Danger of Permitting the Continuation of Massacres.

The Efforts of the Powers Are Directed Both at Constantinople and Sofia Towards An Endeavor to Avert a Conflict.

London, Sept. 17.—The efforts of the powers, according to the latest telegrams, are directed both at Constantinople and Sofia towards an endeavor to avert war. It is said that all the ambassadors at Constantinople have drawn the portes' attention to the danger of permitting a continuation of the excesses in Macedonia by the Turkish troops and irregulars.

The Daily Chronicle says it understands that Great Britain has decided on a still stronger step in the dispatch of a British squadron in support of her diplomatic endeavors at Constantinople to put an end to the massacres. It is impossible, however, to confirm or deny the Daily Chronicle's statement.

Most of the special correspondents in the near east consider war inevitable, but think it may yet be delayed, neither the Bulgarians nor the Turks being really prepared for it. Bulgaria is not sufficiently armed, while Turkey does not feel safe until her lines of communication are less at the mercy of Bulgarian insurgent bands.

A Vienna paper asserts that Prince Ferdinand, of Bulgaria, has sent a trusted agent to King Peter, inviting Servian co-operation against Turkey.

The correspondent of the Daily Telegraph at Sofia says Bulgaria's reply to the portes' protest against the continual crossing of the frontier by bands and the smuggling of arms and ammunition from Bulgaria was couched in most uncomplimentary language, leaving no prospect whatever of an amicable arrangement.

A dispatch to the Daily Mail from Sofia says Prince Ferdinand will grant an audience to John B. Jackson, the United States agent at Sofia.

Constantinople, Sept. 17.—Official dispatches report that in an encounter between the Turks and a large body of insurgents at the village of Kermon, near Lake Pedelepe, the insurgents were routed and lost more than 100 killed and a great number wounded. In the same vilayet the insurgents set fire to the village of Kachin. One hundred and fifty houses were burned and six women perished in the flames.

FOOT AND MOUTH DISEASE.

A Means Has Been Discovered to Protect Cattle.

Berlin, Sept. 17.—Prof. Loeffler, of Greifswald, has sent in a report to the government on the results of his investigation of the foot and mouth disease among cattle. He says that a means has been found to protect the animals while in stables from contamination by the use of small doses of a serum. He advises the inoculation of all cattle bought on the market and he says if they are treated with the serum they are safe from infection.

THE MEXICAN VETERANS.

Resolution For a Dollar a Day Pension Was Passed.

Indianapolis, Ind., Sept. 17.—The ages of the 150 veterans present at the meeting here ranged from 72 to 86. Mrs. Moore Murdock, of Fort Wayne, the national commandant of the Dames of 1846, addressed the convention. A resolution to petition congress for a dollar-a-day pension to Mexican veterans was adopted. The Indiana association re-elected the old officers and fixed Bedford, Ind., for the next annual meeting.

CONSTITUTIONAL AMENDMENT

To Be Voted On at the November Election.

CHAPTER 50.

An act to provide for an amendment to Section 181 of the Constitution of Kentucky.

"The General Assembly may, by general laws only, authorize CITIES OR TOWNS OF ANY CLASS to provide for taxation for municipal purposes, on personal property, tangible and intangible, based on income, licenses or franchises, in lieu of an ad valorem tax thereon;

"Provided, cities of the first class shall not be authorized to omit the imposition of an ad valorem tax on such property of any steam railroad, street railway, ferry, bridge, gas, water, heating, telephone, telegraph, electric light or electric power company."

PRESIDENT ROOSEVELT is nearly as modest in his general deportment as Durbin and Taylor, the Indiana statesmen.

WHEN it comes to a discussion of State finances, the Public Ledger it seems would rather be wrong than right. It has not yet corrected its glaring misstatements in reference to the State debt.

OHIO VALLEY IMPROVEMENT ASSOCIATION.

The Ohio Valley Improvement Association will meet October 14th and 15th at Evansville, Ind. Maysville should send a delegation of representative business men to this meeting. The citizens of Maysville ought to be deeply interested in the work and besides endeavoring to further the project of improving the Ohio river the Maysville delegation should strive to have the next meeting of the association held here. It would take some money to entertain the delegates, but wouldn't it be money well spent?

Mr. Pierce Stanton, who was so badly injured some days ago, was able to be out Tuesday for a short walk.

Burned by Carbolic Acid.

Portsmouth Blade: "Monday afternoon a little girl named Phoebe Parker, who resided with uncle, George Dixon, on East Front street, met with a painful accident. The Dixon family were engaged in packing their goods preparatory to moving to Maysville, Ky., and left a bottle of carbolic acid standing on a shelf. The child secured the bottle and spilled some of the acid on its face, a portion of it entering the eye. It was feared that the eye would be put out. The child's arm was also badly burned between the hand and elbow. The mother of the child, Mrs. Rebecca Parker, is visiting relatives in Lewis County, Ky."

Skirts \$3 1-2 to 15.

It will be no meagre assortment. There will be broad choosing in both simple and elaborate garments. With the Hunt guarantee of "honor goods" you are assured quantity, quality and style.

D. HUNT & SON.

There Are Certain Essential Qualities

Which every well tailored garment should possess. Some of these are easily distinguished, while others of equal, if not greater importance, cannot be known until the garments have been tested by wear. The substitute of inferior interlinings where durable Irish linen is required will not change the outward appearance of a coat—though it quickly makes itself evident when subjected to the strain of service. The coat loses its shape then, because the foundation is weak. This is one of many instances showing why it is safer and cheaper to buy clothes of a reliable make. For the guidance and protection of the clothes-buying public, we put our name in every garment of our make,—in fact we do more. Only the highest quality of materials are used in Kuppenheimer Guaranteed Clothes. They are shaped and tailored by master craftsmen, and with our system of inspection, we make certain that each garment is correct in every detail. River News.

Captain Tom Hall denies the report that he is to sell his towboats and barges to the Dilworth Coal Company.

The Times-Star is a great newspaper, as witness this:

PORTSMOUTH, O., September 16.—The Ohio river is rising steadily and river men say the rise is sufficient to let out the second Pittsburg coal fleet, which is due to pass here in the next forty-eight hours. Ten million bushels of coal are on the way to Southern markets.

No coal has been shipped from Pittsburg for over two weeks, and it is surprising that the Times-Star should suffer a correspondent to palm off such a fake.

Our buyer is still in New York. Has been there for six weeks. He cannot get away. He writes that the correct styles for this fall in Cloaks and Suits were just decided and settled this week. He has expressed us a few Coats in silk and a few tailor-made Suits to show the new styles. We like them very much. So will you. Have already sold some. Come and get the correct ideas. What we received this week:

BABY CLOAKS AND CAPS—Quite a variety. Mostly white. The Caps are under price.

FLANNELETTES—They can hardly be distinguished from the French Flannels. The price makes the distinction. 10c. to 15c.

OUTINGS—Pretty as silks. Buy early and get the exclusive designs. We bought these eight months ago. The mill from whom we purchased these sold their entire production in three days. 10c. yard.

WAY UNDER PRICE—Oxblood Striped Linens. Worth 50c. yard. A shrewd purchase allows us to sell them at 25c. That's what we call a genuine bargain. The quantity won't last long; the goods will though.

CANTONS AT LAST YEAR'S PRICES—600 pieces received this week. 5 to 15c. Everybody buys Cantons here.

Table Linens, Muslin Underwear, more Dress Goods, Danish Cloth, etc., are among the new arrivals.

A Class of Ninety-one Boys and Girls Receive the Sacrament of Confirmation in St. Patrick's Church.

Wednesday morning at 9 o'clock thirty-six boys, fifty-eight girls and seven adults were confirmed at St. Patrick's Church by Rt. Rev. Bishop Maes, of Covington. The children had been carefully instructed by the good Sisters and zealous pastor for the worthy reception of this sacrament.

Preparatory to taking their place in the church a procession was formed at the residence of Father Jones, as follows: The Rt. Rev. Bishop, Father Jones, the pastor, visiting clergymen and acolytes, the boys, Sisters and girls; the Bishop and priests, attired in their vestments, the girls with white dress, wreath and veil, with one of their number bearing a white silken banner, a beautiful emblem most appropriate to the occasion.

The mass was celebrated by Rev. Father Ryan, of Winchester, promptly at 9 o'clock, which was immediately followed by a brief and very appropriate instruction by the Bishop. At the conclusion the sacrament was administered, the Bishop anointing the forehead, and giving each a slight blow on the cheek, pronouncing the words, "Pax Tecum,"—peace be with you. The assistants were: Rev. Father Jones, the pastor, Father De Bruyne, of Mayslick, and Father Greifenkamp, of Augusta. The sponsors were Mr. and Mrs. Thomas Cummins.

Bishop Maes is delighted with the progress made on the new church and urged the congregation to be generous and to assist the pastor in his untiring efforts to complete the work. The necessity for a new and more commodious edifice to seat the large congregation was never more apparent than yesterday.

The Bishop imparted the papal blessing to the congregation and the exercises closed with prayer and another event transpired that brought joy and happiness to the zealous pastor's soul.

The Rt. Rev. Bishop in the past few days administered the rites of confirmation at Cynthia, Nicholasville, Frankfort, Paris and Flemingsburg. He returned to his home in Covington Wednesday afternoon.

The Vanceburg fair began to-day.

The late Dr. Locke, of Newport, left an estate of about \$40,000. His widow has qualified as administratrix.

Rev. Robert Graham Frank, who has been preaching in Philadelphia several years, recently accepted a call to the Church at Liberty, Mo.

Hon. J. B. Wilhoit and Hon. James B. Hindman will speak in the interest of the Republican ticket in this city Thursday, September 24th, at 7:30 o'clock.

Miss Janie Fleming has accepted a position with Mrs. O. B. Stitt and will be glad to have her friends call when they need anything in the millinery line.

Mrs. Alice King, who tripped and fell at the home of her daughter, Mrs. John W. Alexander, Tuesday, breaking one of her arms, is getting along as well as could be expected for one of her advanced years.

Policemen Thompson and Senteny arrested Peter Moran yesterday afternoon for being drunk and took him to jail to sleep off his "jag." Peter, like most men, hunts the railroad track when intoxicated and the officers found him near the Wall street viaduct.

Col. Morris Belknap, Republican nominee for Governor, will spend several hours in Maysville to-morrow en route to Vanceburg, where he speaks to-morrow evening. He is expected to arrive on the L. and N. train from Lexington at 9:30, and will proceed to Vanceburg in the afternoon.

Dr. R. L. Cooper, of Shelby, Mo., left for home Wednesday, after spending a few weeks with relatives in the county. The doctor is seventy-eight years old, but is as robust and active as many men at sixty. He reports only fair crops in Missouri this year, as a result of the drouth.

"Way Down East" is the exact antithesis of the exotic drama. It combines the qualities that make a moral entertainment with the sterling dramatic intensity of a great play. The engagement will take place at Washington Opera House Friday, September 18th. Seats on sale at Ray's drug store.

Paris is making big preparations for the State meeting of the Christian Church next week. Dinner will be served delegates each day by the ladies of the churches of Bourbon County. Rev. R. E. Moss is down on the program for an address Monday evening and also for an address on Sunday school work on Thursday. On the latter day Mr. J. T. Kackley will also speak at the Sunday School Symposium, and at Tuesday's session of the C. W. B. M. Mrs. Abner Hord, of Wedonia, will read a paper.
